Loved itBy Alicia M AbramsA tell all book by one of the foremost experts in the field of forensic accounting. It focuses on prevention and detection and prevention, both of which are so important in today's climate of fraud.

Learn how to spot the "red flags" of fraud, how to comply with recent regulations including Sarbanes-Oxley, and how to develop and implement effective preventative measures. Emphasizing that it is much more cost effective to prevent fraud than to punish it, *Corporate Fraud Handbook: Prevention and Detection, Second Edition* gives you practical insight into fraud schemes used by employees, owners, managers, and executives to defraud their customers. This new edition also gives you access to all new statistics from the ACFE 2006 Report to the Nation as well as new cases.
