Kamini Arichandran : Corporate Journeyman before purchasing it in order to gauge whether or not it would be worth my time, and all praised Corporate Journeyman:

0 of 0 people found the following review helpful. "Look beyond the cold hard facts, and see a human face staring back"By Topsy"Corporate Journeyman" is refreshingly different from other books on the how and what of Corporations.Rhet, the main character on his corporate journey discovers among other things that is it important to "Look beyond the cold hard facts and see a human face staring back"The end of the book has Rhet's success formula which consists of 30 concise points, some of which every corporate employee would do well to imbibe on their

Corporate journey.0 of 0 people found the following review helpful. Powerful. Poetic.By NickMy favorite part, "Maintaining the right attitude with adurance, From negative to positive, From low self-esteem to high self-confidence."Great book for business professionals to learn about core skills in story form. Very Poetic Positive!As the author of "Have You Googled Yourself Lately? (Online Reputation Management)", I found this book very valuable.0 of 0 people found the following review helpful. A must read.By Visakan GanesonCorporate Journeyman is a must read for all professionals entering the corporate world. practical and easy to follow successful strategies. Interpersonal strategies and simple tactical strategies not taught as part of the curriculum in business schools. VG. Executive Director, international Education.

Driven to succeed: as the main character, Rhett Spires travels home after a business trip, he reflects on the skills, attitudes and strategies he employs to get ahead: "what they do not tell you at work, but expect you to know";. Corporate Journeyman, written in easy-to-read poetic verse, is a celebration of the corporate personality and includes a 30-point summary of Rhett's success formula.
