M.N. Arora : Cost Accounting (For B. Com, Sem.4, Delhi University) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cost Accounting (For B. Com, Sem.4, Delhi University):

This book has been written specifically for the students of BCom (Hons) of the University of Delhi in accordance with its prescribed syllabus and that of School of Open Learning. Its basic features are the same as the mother book Cost

Accounting—Principles and Practice, which is a UGC recommended text for the last many years. Thus, it gives a thorough grounding in cost concepts, cost behaviour, and costing methods. The subject matter has been organized on 'first things first' basis to sustain the interest of the students. Every discussion involving conceptual difficulties is immediately followed by a numerical example.
