: **Cost Accounting (University Of Mumbai)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cost Accounting (University Of Mumbai):

Cost Accounting - Introduction and Basic Concepts' has been written by two highly experienced teachers for T.Y.B.Com students of University of Mumbai. It has been designed as a textbook to provide comprehensive coverage of the syllabus prescribed by the University of Mumbai. This book covers all the topics mentioned in the syllabus in a simple and lucid style. Due consideration has been given to practical questions. A variety of problems on each topic has also been included. This book is divided into two parts: the first part covers the theory and the problems on each topic and the second part covers University problems with solutions for every chapter. **KEY FEATURES**• For each

topic, practical illustrations have been divided into different types to understand the topic easily. • In each chapter, theoretical questions are given along with answers. • A large number of problems have been solved. • Numerous solved problems are given from previous university examinations. • Students will easily know the trend and pattern of examinations by using this book.
