with lots of information. Mr Flamming did lots of reasearch and presented in a readable manner that kept a topic as this moving.0 of 0 people found the following review helpful. Five StarsBy CustomerVERY WELL DONE.1 of 1 people found the following review helpful. Wow!By thomas hendersonAs a child of the 50's growing up in Dalton, this is a profoundly accurate study of the norms of blue collar life in a Southern textile industry town.

In *Creating the Modern South*, Douglas Flamming examines one hundred years in the life of the mill and the town of Dalton, Georgia, providing a uniquely perceptive view of Dixie's social and economic transformation. "Beautifully written, it combines the rich specificity of a case study with broadly applicable synthetic conclusions.--*Technology and Culture*"A detailed and nuanced study of community development. . . . *Creating the Modern South* is an important book and will be of interest to anyone in the field of labor history.--*Journal of Economic History* "A rich and provocative study. . . . Its major contribution to our knowledge of the South is its careful account of the evolution and collapse of mill culture.--*Journal of Southern History* "Ambitious, and at times provocative, *Creating the Modern South* is a well-researched, highly readable, and engaging book.--*Journal of American History*

His book stands out, even among the superb literature on southern textile workers, for its powerful detail, chronological sweep, and empathy for everyone involved.--Edward L. Ayers, University of Virginia A detailed and nuanced study of community development. . . . *Creating the Modern South* is an important book and will be of interest to anyone in the field of labor history.--*Journal of Economic History* Beautifully written, it combines the rich specificity of a case study with broadly applicable synthetic conclusions.--*Technology and Culture* In one sense this fascinating analysis of the Crown Cotton Mill, an owner-managed, 'new South' textile corporation, stretches and reinvigorates business history's classic venue: the company biography. In another, it deepens social history's customary form: the community study.--*Journal of Interdisciplinary History* From the Back Cover In this book, the author examines one hundred years in the life of the mill and the town of Dalton, Georgia, providing a uniquely perceptive view of Dixie's social and economic transformation.
