I bought this book for a college ...By Amanda Emmerson This book came to me as advertised in Excellent condition. I bought this book for a college course I was taking and it served it's purpose. I returned the book when I was finished and received a gift card from for the return. College books are very pricey but I love ordering from because I get some money back and I am always shopping on !0 of 0 people found the following review helpful. This book is not very good at allBy Jennifer A Yarde This book is confusing. Each chapter I read I become more and more discombobulated. This book is not very good at all. I have learned very little about negotiation and I am nearly finished with the book. So disappointing!0 of 0 people found the following review helpful. Practical knowledge that you can apply!By Ginny M.GREAT for understanding negotiations. Helped me understand how to be more effective when having a debate, asking for help, and requesting a raise. Highly recommend!

Essentials of Negotiation, 6e is a condensed version of the main text, Negotiation, Seventh Edition. It explores the major concepts and theories of the psychology of bargaining and negotiation, and the dynamics of interpersonal and inter-group conflict and its resolution. Twelve of the 20 chapters from the main text have been included in this edition, several chapters having been condensed for this volume. Those condensed chapters have shifted from a more research-oriented focus to a more fundamental focus on issues such as critical negotiation subprocesses, multiparty negotiations, and the influence of international and cross-cultural differences on the negotiation process.

About the Author Dean of the School of Business at Queens University, Canada. He has coauthored several articles on negotiation, conflict resolution, employee voice, and organizational justice. Prior to accepting his current appointment, he was director of the McGill MBA Japan program in Tokyo, and he has traveled extensively throughout Asia, Europe, and South America. Professor of Management and Sociology at Vanderbilt University. His research on negotiation, influence, power, and justice has appeared in numerous scholarly journals and volumes. Professor Barry is a past-president of the International Association for Conflict Management (2002–2003), and a past chair of the Academy of Management Conflict Management Division. Dean's Distinguished Teaching Professor and Professor of Management and Human Resources at the Max. M. Fisher College of Business, The Ohio State University. He has authored or edited 24 books, as well as numerous research articles. Professor Lewicki has served as the president of the International Association of Conflict Management. He received the first David Bradford Outstanding Educator award from the Organizational Behavior Teaching Society for his contributions to the field of teaching in negotiation and dispute resolution.
