John S. Page : Estimator's General Construction Manhour Manual (Kluwer International Series in Engineering Computer Scienc) before purchasing it in order to gage whether or not it would be worth my time, and all praised Estimator's General Construction Manhour Manual (Kluwer International Series in Engineering Computer Scienc):

This manual provides the reader with an accurate and convenient method for estimating direct labor for general construction work for any given system, plant, or location. Through this book, the reader has a reliable process of obtaining and streamlining an efficient model of operation.
