From Routledge : Ethical Issues in Accounting (Professional Ethics) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ethical Issues in Accounting (Professional Ethics):

Ethical Issues in Accounting offers a comprehensive and accessible introduction for students and teachers of business studies and accountancy as well as the practicing accountant. The book covers the ethical implications of several aspects of accounting: * ethics and taxation * creative accounting * ethics in accounting regulation * ethical dilemmas

in the public sector * whistleblowing * various aspects of social accounting, including environmental accounting. The fitness of the accounting profession as guardians of accounting and auditing ethics is also discussed in detail.
