Raymond W Cox : Ethics and Integrity in Public Administration: Concepts and Cases: Concepts and Cases before purchasing it in order to gage whether or not it would be worth my time, and all praised Ethics and Integrity in Public Administration: Concepts and Cases: Concepts and Cases:

"Ethics and Integrity in Public Administration" presents cutting-edge perspectives on the role of ethics in public sector

management - what it is and where it is going. The contributors include a cross-section of authoritative authors from around the globe, and from both the academy and government. They cover a wide range of topics, diverse theoretical and conceptual paradigms, and global examples, and provide a broader view than what is typically offered in other books. The book includes both theoretical insights and commentaries grounded in practice. Chapters are divided into three parts: Ethical Foundations and Perspectives, Ethical Management and Ethical Leadership, and International and Comparative Perspectives.
