Donald C Menzel : Ethics Management for Public Administrators: Building Organizations of Integrity before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ethics Management for Public Administrators: Building Organizations of Integrity:

1 of 1 people found the following review helpful. Ethics sounds like a very boring subject to study By Cameron Ethics sounds like a very boring subject to study, but this book is actually quite interesting. The topics and situations are up-to-date and relative to things we face in current times. This was the text book for a class I had to take. As far as

textbooks, this is one of the better ones.0 of 0 people found the following review helpful. Five StarsBy Dan KelseyGreat book0 of 0 people found the following review helpful. Five StarsBy CustomerInteresting book. Reference it a lot

As with the first edition, this practical book is dedicated to building organizations of integrity. It has been written for students contemplating careers in public service, elected and appointed officials, administrators, and career public servants in America and abroad.
