Michael J Marx : Ethics Risk Management for Christian Coaches before purchasing it in order to gage whether or not it would be worth my time, and all praised Ethics Risk Management for Christian Coaches:

2 of 2 people found the following review helpful. Interesting read with very practical applications!By Robyn WhiteI found this book because it is a text book for one of my coaching certification classes. I have to admit that I expected a dry topic and a slog through the subject. Michael has brought this subject to life through powerful case studies and practical application. The book makes me not only connect many unexpected areas to ethics but also helps me approach risk management with greater intention. I predict this book will be a constant professional reference throughout my career.1 of 1 people found the following review helpful. I was not expecting to love this book but I didBy CustomerI was not expecting to love this book but I did! Along with creating an interesting read, Michael Marx gives very practical examples with applications from many years of experience that will help you protect your coaching practice. He takes the subject matter to a much deeper level, that will enhance the quality of the product you produce as a coach. I highly recommend this book to any coach that desires to excel in your field of coaching!Nancy Marvich0 of 0 people found the following review helpful. Well worth reading for new and experienced coachesBy

Creative in NYI have to agree with the other reviews. This book was much more engaging than I expected and had a much wider scope. I'm an experienced coach, and I learned more about ethics, as well as being a good coach and running an ethical and legal coaching business. I would recommend this for all coaches, both new and experienced.

As a Christian coach or coach-in-training, you undoubtedly want to get your professional relationships right--right with clients, right with other coaches, and right with your community. Adhering to a strong code of ethics--the principles that define right conduct--will empower you to behave morally and limit the risks inherent to coaching. In the first comprehensive book focused specifically on ethics for Christian coaches, Dr. Michael Marx equips readers to face coaching dilemmas by providing insights and clarifying industry standards. Using case studies and real-life scenarios, the author makes the subject relevant and practical. Whether you are launching into your coaching career or are a seasoned veteran seeking to improve your practice, *Ethics and Risk Management for Christian Coaches* is an essential guide. You'll find clarity and practical, biblically guided wisdom on a subject that directly impacts the way you interact with and serve others.

"*Ethics and Risk Management for Christian Coaches* is a very practical guide filled with relatable case studies and probing questions for further reflection. A must-read for every Christian coach." -Georgia Shaffer MA, BCLC, author of *Coaching the Coach* "This is a thought-provoking, extremely useful desktop guide to those tough, ethical situations one hopes to never face as a coach." -Phillip Janzen, Phil Janzen Coaching, Inc. "The quality, depth, and expansiveness about coaching ethics written by Dr. Marx shows that coaching has grown beyond a fad into a true profession." -Teri-E Belf, MA, CAGS, MCC, author of *Coaching with Spirit* "This unique resource will enhance the library of every professional Christian coach, from brand new to mastery level." -Linda C. Hedberg, author of *The Complete Guide to Christian Coach Training*
