Linda Bell : Ethics, Values And Social Work Practice before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ethics, Values And Social Work Practice:

This book fills a gap in the market for a book that takes a very practical and applied approach to the subject of ethics and values in social work. It situates values and ethics within everyday social work practice across service user groups giving students a sound grasp of the concepts and how they relate to practice.

About the Author Trish Hafford-Letchfield teaches at London South Bank University on the MSc Social Work,

Leadership and Management PQ Award and on Pedagogical awards for academic staff. She has several years experience of managing adult services in the statutory sector and is currently Chair of a voluntary sector agency for Older People. Trish has several articles and books on management and organisational issues and has a particular interest in social inclusion issues in social work and social care and is currently researching the lifelong learning of Older People using Social Care Services .
