From Palgrave Macmillan : Ethnographies of Uncertainty in Africa (Anthropology, Change, and Development)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ethnographies of
Uncertainty in Africa (Anthropology, Change, and Development):

This collection explores the productive potential of uncertainty for people living in Africa as well as for scholars of Africa. Eight ethnographic case studies from across the continent examine how uncertainty is used to negotiate insecurity, create and conduct relationships, and act as a source for imagining the future.
