Joy Posadas : Etiquette Guide to the Philippines: Know the Rules that Make the Difference! before purchasing it in order to gage whether or not it would be worth my time, and all praised Etiquette Guide to the Philippines: Know the Rules that Make the Difference!:

4 of 4 people found the following review helpful. Good Little BookBy FuzzbeanI have bought several books about the Philippines, but only having visited there once I cannot comment with great certainty how accurate any of them are. In

this case, I will primarily compare this book to the "Culture Shock!" book that covers similar aspects of travel there. I found the "Culture Shock!" book to be very wordy and rather a philosophical, theoretical, feely sort of thing. It had useful information, maybe even interesting information, but did not come across as concise. This boook seems better to me. In fact, you can tell by the way it is written that it is aimed somewhat (though not exclusively) at foreigners visiting or living in the Philippines for business purposes. I believe for that reason it is a more practical and concise handbook. Maybe not the best thing ever written but well worth the price. I will say, out of all the books I've bought so far, this is the only one that gives any specific advice about tipping in the Philippines. 0 of 0 people found the following review helpful. Ist review I have ever written but I have to say the information in this book is so elementary that I cant really say I found onBy SRTotally worthless. Ist review I have ever written but I have to say the information in this book is so elementary that I cant really say I found one piece of useful information that is not common sense. I guess if you have never traveled anywhere you might find something of use. Being generous with one star. 0 of 0 people found the following review helpful. Very important information on how to be a guest in a foreign country. By D. L. Boering You may think you know how to be polite in your own culture, then too, this book will warn you about things you need to be both sensitive too in the Phillipines and to WATCH out for! Highly recommended even if you think you are MISS MANNERS or particularly for those that think they are!

Never fear social blunders again with this essential guide to Filipino etiquette! This insider look at the social graces you'll need to know answers all the questions of the courteous traveler. Whether visiting The Philippines for business or pleasure, knowledge of the local customs and traditions will help make the most of your trip. Covering a variety of topicsmdash;from how to greet new people to how one is expected to behave during formal events, business meetings and nights out on the townEtiquette Guide to the Philippines is an indispensable companion for the courteous traveler.
