**Mike Pedler : Facilitating Action Learning: A Practitioner'S Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Facilitating Action Learning: A Practitioner'S Guide:

0 of 0 people found the following review helpful. Three StarsBy Francois BogaczThe basics are covered, but it's a bit shallow. I was expecting to get much more case studies.0 of 2 people found the following review helpful. Five StarsBy kevinGreat!0 of 2 people found the following review helpful. Five StarsBy Yangshuogood

This book is a clear, concise and straightforward guide to the action learning approach to problem-solving and learning

in groups.

About the Author Mike Pedler is Emeritus Professor of Action Learning at Henley Business School, University of Reading and a partner in the Centre for Action Learning Facilitation. He has written and edited many books on self-development, action learning and the learning organisation. Christine Abbott is a partner in the Centre for Action Learning Facilitation. She is an associate of the Open University and Leeds Metropolitan University. A Trustee of the ILM, she was instrumental in writing the qualification standards for action learning.
