FALLEN ANGEL

THE MAKING AND UNMAKING OF

RAJAT GUPTA

New York, 26 October 2011: Rajat Gupta in U.S. Marshals mugshot taken after he was arrested

'He is a good man. But the history of this country and the history of the world is full of examples of good men who did bad things.'

—JED S. RAKOFF, UNITED STATES DISTRICT JUDGE

Sandipan Deb : Fallen Angel before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fallen Angel:

0 of 0 people found the following review helpful. Excellent reading for all of us By Customer Excellent insights of amazing chain of events, gripping details. I highly recommend anyone who have heard about insider trading should read this book. Also it has an interesting angle from Indian subcontinent culture and mindset.

A tragedy of Greek proportions, this is the story of an Indian icon at the centre of the biggest insider trading case in the history of the United States of America. On 24 October 2012, Rajat Gupta, former head of the world's most respected management consultancy firm, McKinsey Co., was sentenced to two years in prison by a New York court for

securities fraud and insider trading. Why did this happen?Based on extensive research, including transcripts of FBI-wiretap conversations, *Fallen Angel* is an insightful account of a remarkable man and the extraordinary events surrounding him: this is the real story of Rajat Gupta, an orphaned immigrant from India who managed to reach dizzying heights in the US corporate sector. Although the verdict is out, the mystery remains: several jury members were in tears after delivering the verdict, and nearly everyone who has known Gupta believes he is innocent so what really happened?With its almost thriller-like cast of real-life characters, *Fallen Angel* is a page-turner that explores the complex layers of this human drama.
