Amy Budish, Budish Armond : Golden Opportunities: Hundreds Of Money-Making, Money-Saving Gems For Anyone Over Fifty before purchasing it in order to gauge whether or not it would be worth my time, and all praised Golden Opportunities: Hundreds Of Money-Making, Money-Saving Gems For Anyone Over Fifty:

0 of 0 people found the following review helpful. Four StarsBy Patricia L. Coffeyokay0 of 0 people found the following review helpful. Five StarsBy bwa137Not only opportunities-this book is an idea factory! Grabbed a notebook to jot them down when they occurred. BW

A guide to maximizing resources and minimizing expenses for retired people offers readers strategies for getting around bureaucratic loopholes, discussing when to retire, how to avoid hidden taxes, and more."Their book details the 'hidden rules' of calculating pension benefits, appealing Medicare rulings, and rearranging assets to increase benefits.

Charts, examples, and money-saving tips accompany a clearly written text." – Library Journal

From Library Journal Medicare, Social Security, and other government programs for older people involve some of the most complex bureaucratic procedures ever devised. Retirement income may be unknowingly limited because beneficiaries are not aware of all the funds to which they may be entitled. The authors offer keys to a variety of benefit programs including veteran's benefits, COBRA, Supplemental Security Income, and Medicaid. Their book details the "hidden rules" of calculating pension benefits, appealing Medicare rulings, and rearranging assets to increase benefits. Charts, examples, and money-saving tips accompany a clearly written text. There is much useful information in this book, and it is sure to be as popular as Arnold Budish's *Avoiding the Medicaid Trap* (LJ 7/89). For all general collections.- Karen McNally Bensing, Benjamin Rose Inst. Lib., Cleveland Copyright 1993 Reed Business Information, Inc.
