By Voracious reader I am a follower of the author's blog, which has given me great DIY ideas over the past few years. This book is written in the same easy-to-follow style and actually has me excited about getting my home organized. It's a perfect read for the days leading up to the new year (resolutions, ya know). 2 of 2 people found the following review helpful. Must get this book!! By Pamela McCurdy Ellington Great book highly recommend! Wonderful photos and ideas that anyone can do. Beautiful and functional. I especially loved all of the photos! Wonderful book and tips. 1 of 1 people found the following review helpful. great inspiration to start the New Year By erin carson Lots of helpful hints and tips.... Great photos. Looking forward to implementing these ideas... And looking forward to a more organized home!

Today's society is not only fast-paced, it has become increasingly complex. Today, as never before, it's crucial to find ways to increase productivity and simplify, and the best way to stay sane is to get organized. Using dozens of beautiful, four-color photos, this book presents a variety of ideas and steps necessary for organizing every room, closet, drawer,

basement, garage, and shed in one's house. Moreover, it also presents ideas for organizing one's office and data as well. Also included:- The "green" aspects of organizing, getting things organized in the electronic age, and loads of new products that help people organize.- Up-to-date information, including new resources, for people with clutter disorders.
