**Simon Anholt : Places: Identity, Image and Reputation** before purchasing it in order to gage whether or not it would be worth my time, and all praised Places: Identity, Image and Reputation:

Place branding is happening. A new field of practice and study is in existence and whatever we choose to call it;there can no longer be any doubt that it is with us. This collection of intuitive and well-reserached articles

examines how places and regions see themselves, and how they reflect this in their branding.
