Norman R. Eder : Poisoned Prosperity: Development, Modernization and the Environment in South Korea: Development, Modernization and the Environment in South Korea (East Gate Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Poisoned Prosperity: Development, Modernization and the Environment in South Korea: Development, Modernization and the Environment in South

Korea (East Gate Books):

A study of environmental degradation, this work presents the environmental problems of South Korea. The effects of rapid industrialisation and modernisation are documented along with the choices and actions which are available to the country.
