John Armour, Dan Awrey, Paul Davies, Luca Enriques, Jeffrey N. Gordon, Colin Mayer, Jennifer Payne : Principles of Financial Regulation before purchasing it in order to gage whether or not it would be worth my time, and all praised Principles of Financial Regulation:

The financial crisis of 2007-9 revealed serious failings in the regulation of financial institutions and markets, and prompted a fundamental reconsideration of the design of financial regulation. As the financial system has become ever-more complex and interconnected, the pace of evolution continues to accelerate. It is now clear that regulation must

focus on the financial system as a whole, but this poses significant challenges for regulators. Principles of Financial Regulation describes how to address those challenges. Examining the subject from a holistic and multidisciplinary perspective, Principles of Financial Regulation considers the underlying policies and the objectives of regulation by drawing on economics, finance, and law methodologies. The volume examines regulation in a purposive and dynamic way by framing the book in terms of what the financial system does, rather than what financial regulation is. By analysing specific regulatory measures, the book provides readers to the opportunity to assess regulatory choices on specific policy issues and encourages critical reflection on the design of regulation.

"...Donald and Leach's study exploring the relationships between national parliaments and the European Convention system is a much needed and welcome foray into empirical and contextual scholarship which appropriately merges eye-opening insights from legal doctrine and political science." - Hayley J. Hooper, Law Quarterly About the Author Alice Donald, Senior Lecturer, Middlesex University and Philip Leach, Professor of Human Rights Law and Director of the European Human Rights Advocacy Centre, Middlesex University Alice Donald is a Senior Lecturer in the Department of Law and Politics at Middlesex University. Her socio-legal research focuses on the implementation and impact of human rights law, particularly in the UK and Europe. Alice was formerly (1991-2005) a commissioner, editor and broadcast journalist in the BBC. Philip Leach is Professor of Human Rights Law at Middlesex University, a solicitor, and Director of the European Human Rights Advocacy Centre (EHRAC). He has been a member of the Independent Advisory Panel on Deaths in Custody since 2009 and in 2014 was appointed as a member of the Independent into Self-inflicted Deaths in Custody of 18-24 year olds (the Harris).
